Option 3 - BYO:

- A BYO fee of \$10 per person for all guests on the charter applies
- We certainly encourage BYO but as a licensee we must obey the responsible service of alcohol laws. These include ensuring soft drinks and low alcohol drinks are included in your delivery.
- **Under no circumstances are bottles of spirits allowed onboard.** They will be confiscated before we leave and returned at the conclusion of the charter – no exception.
- It is preferable that all drinks be pre-delivered to Summer Breeze 60 to 90 minutes prior to departure or earlier if possible.
- Most guests tend to over order; this not only creates more to deliver but also “**more to pack up and take away at the end of your cruise**”
