Option 3 – “Bring Your Own (BYO)”

- A **BYO fee of \$11 per person per charter** applies
- A full list of your groups total planned drinks must be provided at least 10 days prior to your cruise for our approval
- BYO drinks only permitted
 - Wine and Champagne in commercial bottles
 - Beer and commercially available pre-mixed drinks in 355ml (or thereabouts) cans or bottles
 - Ciders in 355ml bottles / cans

Under no circumstances are bottles of spirits allowed. They will be confiscated and returned at the conclusion of the charter – no exception.

- We certainly encourage BYO, but as a licensed premise the statutory alcohol laws apply. These include ensuring that soft drinks and low alcohol drinks are provided by you for your guests
- To avoid delays in loading your drinks onto Summer Breeze it is preferable that all drinks be pre-delivered to Summer Breeze where possible. Please arrange with Kevin on 0407 614 997
- **Over-catering:** Most groups over-cater which not only creates more to deliver but also more to pack up and take away at the end of your lovely cruise which is a real drag.
